Christian Education Thought For The Week

From the book of Ezekiel chapter 11 we see that God always has a reason and a purpose for what He does with us. He had a purpose behind the devastation He brought upon His people of Israel. We are often as stubborn as the Israelites. God may allow us to suffer a devastating setback to get our attention. As we go through storms of suffering, we should be encouraged by knowledge of the future God has planned for all His people. As we confess our sins and admit our failures to God, He will bring us His forgiveness and healing through Jesus Christ our Lord.
