**Christian Education Thought For The Week**

From the Gospel of Matthew chapter 8, Jesus exhibited power over both the weather and the demonic forces in the spiritual realm. In both cases His disciples learned lifesaving lessons about faith in God's incredible power. Since Jesus has the ability to calm a raging storm; and to rid people of demonic influence, He most certainly can bring peace in the midst of any of the storms we may encounter and overcome any forces of evil that come against us. No weapon that is formed against us shall prosper.
