Christian Education Thought For The Week

Psalm 139 reveals an exciting fact: Each of us is an amazing creation, unique and wonderfully made! Even more than that, God is always thinking about us! Any time we see ourselves as worthless, we are not seeing the truth of how God sees us. When we see that we are wonderfully made by God Himself, we will be encouraged to surrender our lives to Him so that He can miraculously transform us into the people He created us to be.
