Christian Education Thought For The Week

We can learn a very helpful lesson from Psalm 56. Here we see that we should keep our thoughts focused on God and trust Him. We will find as David did, that God will strengthen us even during the times when our struggle is most difficult. We must remember to fulfill our responsibilities of being obedient to God's revealed will. His plan is always best for us in the short, and the long run. Praise His Holy name!!
