# Christian Education Thought For The Week

From the book of Isaiah chapter 43 we are reminded that God loves us so very much, and He will be there for us in all the times of trouble and chaos. As we “go through rivers of difficulty,” or when we reach a “fork in the road of life”, we have a choice. We can either trust in our own ability and drown, choose the wrong path and fail, or we can trust in God and be rescued. If we are honest, we will realize that God is the only one who can redeem us and set us free from trouble.
