# Christian Education Thought For The Week

From the book of the prophet Jeremiah chapter 29, we are reminded that in our moments of distress and pain, it is important to remember that God has a plan and a purpose for us, His people. We can be sure that it is all filled with rich blessings. We can be very sure that our spiritual growth is an important part of God's divine will for us. Realizing this gives us hope for both now and the future. Praise His Holy and Righteous Name.
