Christian Education thought for the Week

From Deuteronomy chapter 28 we see revealed the one essential requirement for God's blessings – obedience. We are to obey God and His commandments. Notice that there are considerable rewards for obedience. We must seek to know God's will for us and then carry it out. We will find God's will laid out for us in His Divine Word, the Scriptures. We should also seek the power of the Holy Spirit to clearly reveal to us areas in our lives where we are not obeying the Word of God in our daily walk.
