## Christian Education thought for the Week

The key to faith is to remember that He is risen! Never lose sight of the fact the Jesus's victory over death is ours for eternity. So, keep the faith, the Lord will fight for you; you need only to be still and let God fight your battles for you. Learn how to put your burdens on Him and He will see you through. He will walk by your side and when you think you cannot handle it any longer, He will carry you. You can always depend on God, put your faith and trust in Him. He is our source and our strength for life-that is good news!
