# Christian Education thought for the Week

Faith and persistence go hand in hand. Faith means you don't give up even when you are tired. Faith means you just won't quit! The key to faith is to be persistent. Keep your eyes on God, not on your problem. God's power to keep going is always there for you. You just need to ask Him for it. Finally, the fact that we are justified by faith which perseveres means that all of us who have made a start in the Christian life, by trusting Christ for the forgiveness of our sins and for the fulfillment of His promises to us, must be vigilant to fight the fight of faith and lay hold to eternal life (1 Timothy 6:12).
